Today's Webinar

- Introduce the 8th set of Core Four (high-frequency words)
- Explore modelling core words to support concept development and classroom connections

Core Words

- A small set of words used frequently in many different contexts
- Easily combined and re-combined with many other words
- A term used to describe a way to organize AAC vocabulary: core vs. fringe

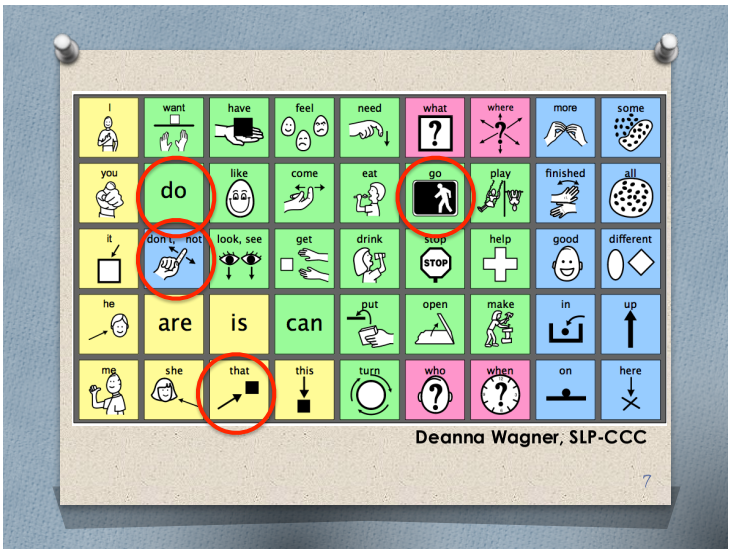
Today's webinar in the 5 STEPS

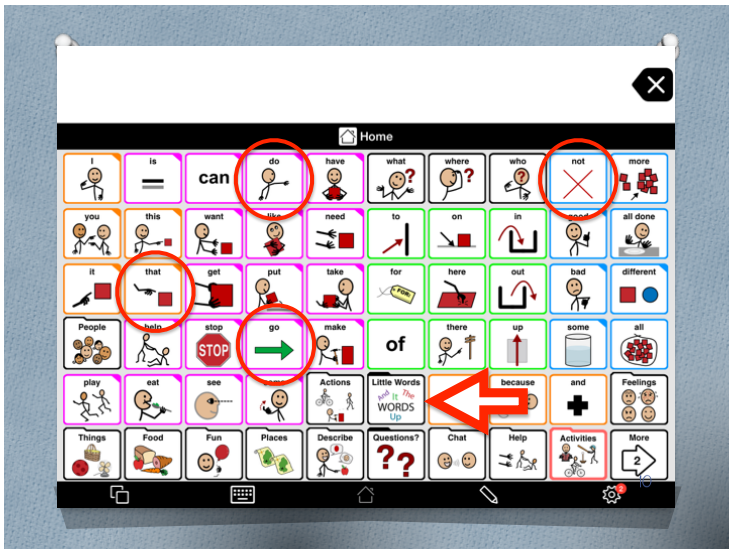
Targets	
Teaching	**Core word vocabulary instruction**
Tools	**AAC with robust core word or pragmatically organized vocabulary**
Testing	
Team	

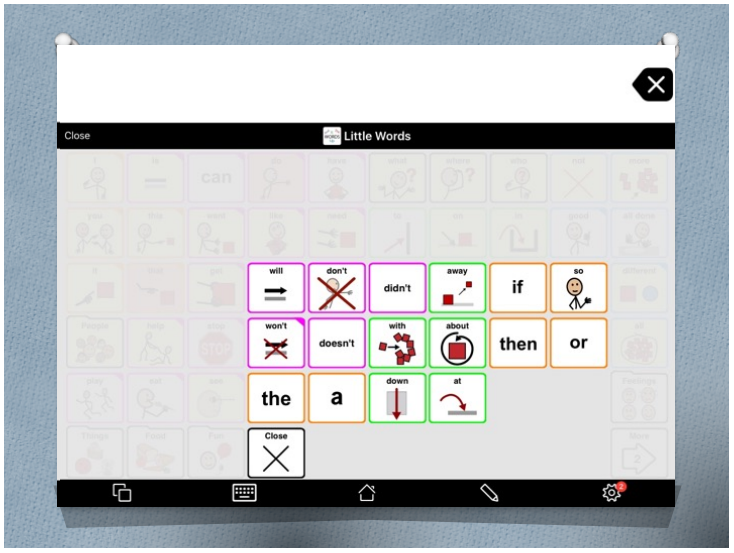
Set 8: Core Four

Find these in your system

- Don't
- Do
- That
- Go







The power of negating: double your verbs with DON'T

Targets: core words

- Strengthen concept knowledge of specific core words by associating these words with meaningful activities across the day
- Learn how to automatically access those core words for expressive purposes
- Increase the frequency of how often we, and our student, uses, combines, and re-combines these words in different contexts across the day

"DON'T" and "DO": demand performance

- Beware modelling vs. bossing: are we teaching the power of a voice?
- Level the playing field with at least equal proportions of reflective modelling ("I think you DON'T want that!") as directing ("DON'T DO that").

Set 8: Core Four

- Don't
- Do
- That
- Go

The power of the 8th Core Four:

vocabulary for **power to direct others**

Questions: Combine with other core

- DO you…?
- DO you want that?
- What DO you need?
- DO you need me to help?
- Who DO you…?
- Yes, I DO!
- I need you to DO this.
- Yes, I DO.

1st words: DON'T and DO

- Verb: to perform, achieve, or complete
- Used before a verb in questions:
  "Do you have a cat?"
  "Don't you like chocolate?"
- Snarkiness and slang:
  Event: "We are going to a fancy do."
  Hairstyle: "She has a new do."

Compare

"I want school"

to…

Model what to DO

- Avoid constant "don't" language.
- "Don't hit" vs
  "DO control your hands."
- "Don't touch" vs
  "Gentle hands"

DON'T is POWER.
DON'T is SAFETY.

3rd word: THAT

- Pronoun:
  refers to a person or thing you can see or hear
  "THAT is my cat."
  "No, *THAT* one."
- Refers to a person or thing we have just discussed
  "THAT is a good idea."
- Snarkiness factor:
  "I wouldn't go THAT far."

Reflective modeling

- You are telling me DON'T GO!
- You are covering your ears. You are saying to your brother, DON'T YELL.
- You are laughing and rocking! You are saying DON'T STOP!
- You are pushing my hands away. You are saying DON'T DO THAT.

Use THIS with THAT

- Compare THIS book to THAT book
- Choicemaking:
  Do you want THIS one or THAT one?
- Modelling requests:
  "You are reaching. I think you are asking for THAT."

4th word: GO

- Verb:
  move from one place to another, leave
  “Time to go!” “Let’s go!” “Don’t go!”
- Noun:
  “Have a go!”
- Snarkiness:
  “All systems go!” “He is just go-go-go!”

Four Core and PODD

GO across the day

- Wake up and GO get dressed.
- GO brush your teeth and hair.
- GO eat breakfast.
- Its time to GO! Get your backpack and GO get in the car!
- GO to your class. GO sit down.
- GO out to recess, then GO to lunch.
- GO get your art supplies.
- Get ready to GO home.
- GO horseback riding.
- GO back home. GO wash your hands then GO sit down for dinner.
- GO take your bath. GO get changed into PJs.

Let's go!
Go!

Reflective modeling

- You brought me my purse. You want to GO out!
- You are crying. You are sad we have to GO.
- You brought his keys. You want him to GO.
- You are taking me upstairs. You want to GO to bed.
- You are signing McDonald’s! You want to GO to McDonald’s.

Possible Next Steps

- Identify a time of day when your student is using non-symbolic communication to say "don't". Model "don't" on their talker!
- Share your experiences in the Facebook group!
